

U-Stand-800 U-Shape Monitor Stand for 8" Monitors - For all 800, 802 Series

The logo for XENARC TECHNOLOGIES is centered on a black rectangular background. The word "XENARC" is written in a large, bold, white, sans-serif font. A small blue triangle is positioned at the bottom left of the letter 'X'. Below "XENARC", the word "TECHNOLOGIES" is written in a smaller, white, sans-serif font, with each letter spaced out. A registered trademark symbol (®) is located at the top right of the word "XENARC".

Description

U-Shape Monitor Stand for 800, 802 Series 8" Monitors.

Xenarc Technologies Corporation does everything possible for the convenience of its customers, so we developed a 8" **monitor stand** with a unique **U-shape**. This U-shape monitor stand has many advantages such as the ease of adjusting the U-shape monitor stand height, the ease of rotating your rugged monitor 360 Degrees which is a huge advantage when working in a variety of spheres.

Strength & durability is one more advantage of this **8" U-Shape Monitor Stand**. It reliably fixes and locks the rugged 8" monitor in an acceptable and convenient position fit for the user and reduces the risk of accidental falling of the device.

When the rugged **8" LCD monitor** is securely fastened in such a **tough and rugged U-shape monitor stand**, you can stop being afraid of jolts and strong vibrations, which makes this U-shape monitor stand truly universal even in areas with increased seismic activity. The **U-shape stand** is suitable for displays with a diagonal touchscreen of 8", namely for models 800 and 802 series. If you are the owner of a rugged monitor display from the previously mentioned lines, then you can add to your workplace this truly excellent 8" U-shape stand.
